

## SPK SERIES SPLITTER KITS

**Opticonx LightTube™ SPK Series Splitter Kits are designed to quickly and easily breakout loose tube stranded & micro distribution, loose tube uni-tube/central tube and ribbon cables containing 250μM fiber for direct termination with industry standard connectors. Three types are available.**

**LightTube™ SPK Series Splitter Kits**, simple and easy to use, route individual 250μM fibers into individual 900μM, Hytrel®, color coded buffer tubes via a compact protective housing. The fiber can then be directly terminated, using industry standard connectors with 900μM boots. The kits are designed to work with any manufacturer's cable.

### Applications:

Field termination of multi fiber per tube, loose tube stranded & micro distribution cables, loose tube uni-tube/central tube or ribbon fiber cables

### Features & Benefits:

- ◆ No special tools required
- ◆ EIA/TIA Color coded tubing
- ◆ Fits virtually any cable design
- ◆ Installs in minutes
- ◆ Works with all 900μM booted connectors

### ORDERING INFORMATION:

#### SPKL-Series Stranded Core Loose Tube Cables

The SPKL Series terminates multi fiber per tube, loose tube stranded & micro distribution cables in 2, 4, 6, 8, 12 or 16 fibers per tube.

Part Number	Description
SPKL-02	2 fiber tubes, 900μM OD, 24" breakout length
SPKL-04	4 fiber tubes, 900μM OD, 24" breakout length
SPKL-06	6 fiber tubes, 900μM OD, 24" breakout length
SPKL-08	8 fiber tubes, 900μM OD, 24" breakout length
SPKL-12	12 fiber tubes, 900μM OD, 24" breakout length
SPKL-16	16 fiber tubes, 900μM OD, 24" breakout length

#### SPKR-Series Ribbon Cables Splitter Kits

The SPKR Series terminates single ribbon cables and "bare" ribbons in 4, 6, 8, 12 or 16 ribbon counts.

Part Number	Description
SPKR-04	4 fiber ribbon tube, 900μM OD, 36" breakout length
SPKR-06	6 fiber ribbon tube, 900μM OD, 36" breakout length
SPKR-08	8 fiber ribbon tube, 900μM OD, 36" breakout length
SPKR-12	12 fiber ribbon tube, 900μM OD, 36" breakout length
SPKR-16	16 fiber ribbon tube, 900μM OD, 36" breakout length

#### SPKU-Series Uni-tube or Central Tube Cables

The SPKU Series terminates multi fiber loose tube, uni-tube or central tube cables from 4 to 36 fibers.

Part Number	Description
SPKU-04	4 fiber Uni-tube, 900μM OD, 36" breakout length
SPKU-06	6 fiber Uni-tube, 900μM OD, 36" breakout length
SPKU-08	8 fiber Uni-tube, 900μM OD, 36" breakout length
SPKU-12	12 fiber Uni-tube, 900μM OD, 36" breakout length
SPKU-16	16 fiber Uni-tube, 900μM OD, 36" breakout length
SPKU-24	24 fiber Uni-tube, 900μM OD, 36" breakout length
SPKU-36	36 fiber Uni-tube, 900μM OD, 36" breakout length
